

# HD DOUBLE SIDED ALUMINIUM TOP LADDER

- Extra wide heavy-duty flat aluminium top can also be stood on for greatest height access
- Wide, slip-resistant aluminium steps allows one to stand comfortably for long durations of time
- Identical front and back sections permit two persons to use the ladder at the same time
- 74° angle positioning and conical construction ensures safety when standing upright
- Wide aluminium channel for grip and extra strength
- **Optional plastic top (HDDSPT) and spring castor wheels available on request**

**HEAVY-DUTY DOUBLE SIDED  
ALUMINIUM TOP LADDER**  
LOAD CAPACITY: 175 KG
